

MEMBERS COMMON ROOM: FACT SHEET

ABOUT THE MEMBERS COMMON ROOM

The Members Common Room is ideal for small luncheon/dinner parties.

The room was created from the vaulted ceiling of the Victorian kitchen below and has been refurbished to a high standard. It is located on the ground of the Great Hall and benefits from beautiful views of the Inn's garden.

It also has an outside space ideal for functions al fresco.

Dancing is not permitted in the Members Common Room, and it is available to hire on weekends only.
